The President,

Sir,

I am directed to address you on the question of providing an adequate agency for carrying out improvement works in Bangalore City A sum of about Rs 4½ lakhs has been set apart for such works from Municipal funds in the current year's budget, supplemented by a Govt contribution of Rs 30,000/- It would be advisable to appoint a strong committee, composed of Municipal Councillors and select Govt Officers, for the administration of these funds, so as to ensure the preparation and carrying out of improvement schemes in a systematic manner All that is necessary for this purpose is to slightly revise the constitution of the existing City Improvement Committee and to entrust it with some definite powers, which may, if the Council agree, include the power of sanctioning detailed estimates up to Rs 5,000/- on schemes approved by the Council and the Govt It would be necessary to relieve the Committee of some of the minor functions now assigned to it e g , lighti and ter supply so that

it may concentrate attention on schemes of general and sanitary improvement

I am to request that the Municipal Council may be requested to consider these proposals and submit their views in the matter to Government as early as possible
